Delete subsection 812.04.T, on page 631 of the Standard Specifications for Construction in its entirety and replace it with the following:

T. **Ltg for Night Work.** The unit price for Ltg for Night Work includes submittal of a work area lighting plan and furnishing, installing, relocating, replacing, and maintaining lighting for the entire project. There will be no adjustments in the lump sum price regardless of the number or type of lighting systems or if stand by units are required to complete all night work on the project as described in subsection 812.03.H and as directed by the Engineer.
